

Setting up your School Bytes App

All Willoughby Public School parents/carers are asked to set up a School Bytes Parent Portal

Download the School Bytes app on:

[App Store](#)

[Google Play](#)

Key Features

- Get real time push notifications from your school
- Stay signed in and save your card for secure payments for fees and excursions
- Give consent, sign forms and respond to attendance alerts
- View the school calendar and news

The screenshot shows the login page for the School Bytes parent portal. At the top, there is the School Bytes logo and the text 'Log in to the parent portal' with a link 'Or create a new account'. Below this are two input fields: 'Email address' and 'Password'. There is a 'Remember me' checkbox which is checked, and a link 'Forgot your password?'. A blue 'Log in' button is at the bottom. At the very bottom, there is a small disclaimer: 'This site is protected by reCAPTCHA and the Google Privacy Policy and Terms of Service apply.'

IMPORTANT:

To ensure that the registration process works smoothly and you can link your account to your child(ren), make sure that you use the same email address that you have provided to the school or if using a different email address, an SMS verification code will be sent to the mobile phone number on record for you at the school.

School Bytes have prepared a host of parent user-guides which can be found here:
