

Willoughby Public School

Project update – September 2018

The NSW Government is investing in an exciting project at Willoughby Public School.

Investing in our schools

The NSW Government is spending \$6 billion over four years to deliver more than 170 new and upgraded schools. This includes an additional \$160 million spend in 2018/19 as part of the record \$747 million maintenance investment announced last year. This is the biggest investment in public school infrastructure in the history of NSW.

Willoughby Public School upgrade

An exciting project is underway at Willoughby Public School. The project will allow the school to accommodate 1,200 students in permanent facilities by providing:

- 20 new permanent, future-focused learning spaces
- special programs rooms
- administration and staff facilities
- a new canteen
- a new hall
- more functional, increased open outdoor play space

You are invited to an Information Session

Information sessions provide a great opportunity to meet with and have one-on-one conversations with the project team. Our aim is to share information about the design, construction activities and timing, school access, as well as traffic management and how this work may affect you and your children.

When: Wednesday 12th September 2018

Time: 6.30pm – 8.00pm

Where: Willoughby Public School Hall

When: Thursday 13th September 2018

Time: 9.15am – 10.30am

Where: Willoughby Public School Hall

Please ensure that you register for one of the above events, as we do anticipate high attendance. To register visit:

Progress Summary

- The main works construction contract is being awarded
- The demountable village is now complete in preparation for construction to commence
- Administration is preparing to move into their temporary facilities ready for the demolition of the administration building

Next Steps

- Finalisation of staging plans to take advantage of school holiday periods
- Site fencing and hoardings will be erected to safely delineate work zones
- Construction is due to commence in September
